The Hawaiian-themed evening features a pig roast, a one-of-a-kind seafood buffet and premier desserts – all created by LWTC’s award-winning culinary and baking faculty. Activities include entertaining guest speakers, a raffle, a silent auction with hundreds of must-have items, and a live auction with dozens of amazing, big-ticket items, including a custom painting by renowned Chinese artist Ling Ko. All proceeds from the auction and dinner are dedicated to Lake Washington Technical College student scholarships and the LWTC Student Emergency Fund.
